QUICK FACTS ABOUT THE CCSD ARL PRE-SERVICE TRAINING PROGRAM

COST

\$500 covers all pre-service (pre-hire) training fees.

An additional \$60 will be needed for the background check.

LENGTH

All cohorts are approximately 10 weeks in length.

Commitment includes one weeknight for three hours and Saturdays for six hours.

EXPERIENCE

Teacher candidates spend 20 days in a classroom working with and teaching CCSD students.

Field experience days do not need to be consecutive, but must be completed by the end of the program.

EXAMS

Candidates must pass ALL required testing to be considered for acceptance into any CCSD ARL Program.

*ALL candidates - Praxis Core or CBEST

*Secondary candidates - Praxis Subject Assessment

-#5038 English

-#5161 Mathematics

-#5235 Biology (for biological science program)

-#5435 General Science (for physical science program)

SUBSTITUTES

Candidates who are long-term or vacancy substitutes during the program may qualify to have a portion of their field experience days waived.

RECOMMENDATION

Successful teacher candidates receive recommendations from their cooperating teachers and a representative from the ARL Program.

Those candidates who are long-term/vacancy substitutes during the program will also need a recommendation from their current administrator.

CERTIFICATE

An ARL Certificate of Completion is awarded once a teacher candidate successfully passes all portions of the program.

This certificate is needed to be eligible for hire and to apply for a conditional license with the Nevada Department of Education (NV DOE).

LICENSE

ARL teachers apply for an ARL conditional teaching license with the NV DOE upon successful completion of the program.

The license is valid for three years at any CCSD public school (charter schools excluded).
